

International Machine Tool &
Manufacturing Technology Exhibition

Organiser

Indian Machine Tool
Manufacturers' Association

presents

EXP PLANNER

maximising your trade fair success

Features of ExpoPlanner

Providing a comprehensive range of features and services to ensure a seamless and successful experience for exhibitors at IMTEX 2025.

Exhibitor Dashboard

You have exclusive access to the Exhibitor Zone, helping you plan for the exhibition and make the most of your stand.

Exhibitor Badges

Application for Exhibitor Badges must be submitted on or before 15 Dec 2024.

Online Exhibitor Services

You can conveniently order services relevant to you as an exhibitor also includes order deadlines, at a glance.

B2B AI Matching b/w Exhibitors & Visitors

- Intelligent algorithm makes contact suggestions based on your products, profile and Visitor interests / preferences
- Interact via chat function or have them write to you. You will be notified by the system when there is a message

Interactive Floorplan

Empowering attendees with a search feature to find exhibitors easily during the event.

Meeting Scheduled Exhibitors & Visitors

B2B Matchmaking for prescheduled meetings between visitor to Exhibitor or exhibitor to exhibitor

Exhibitors may please update company information, profile and products categories so as to boost visibility of your participation at the event.

IMTEX 2025
International Machine Tool & Manufacturing Technology Exhibition

23 - 29 January 2025 : BIEC, Bengaluru

Scaling new heights in manufacturing

Organiser: Indian Machine Tool Manufacturers' Association

Venue: Bangalore International Exhibition Centre

Concurrent Shows: Tooltech 2025 (International Exhibition of Cutting Tools, Tooling Systems, Machine Tool Accessories, Metrology & CMM / CMM) | DIGITAL MANUFACTURING (International Exhibition on Digital Manufacturing Technology)

IMTEX 2025

About

IMTEX 2025

Indian Machine Tool Manufacturers' Association (IMTMA) will organize the 22nd edition of IMTEX with a focus on metal cutting and manufacturing technologies from 23 to 29 January 2025 at the Bangalore International Exhibition Centre (BIEC) in Bengaluru. Concurrent shows, Tooltech and Digital Manufacturing will be held simultaneously.

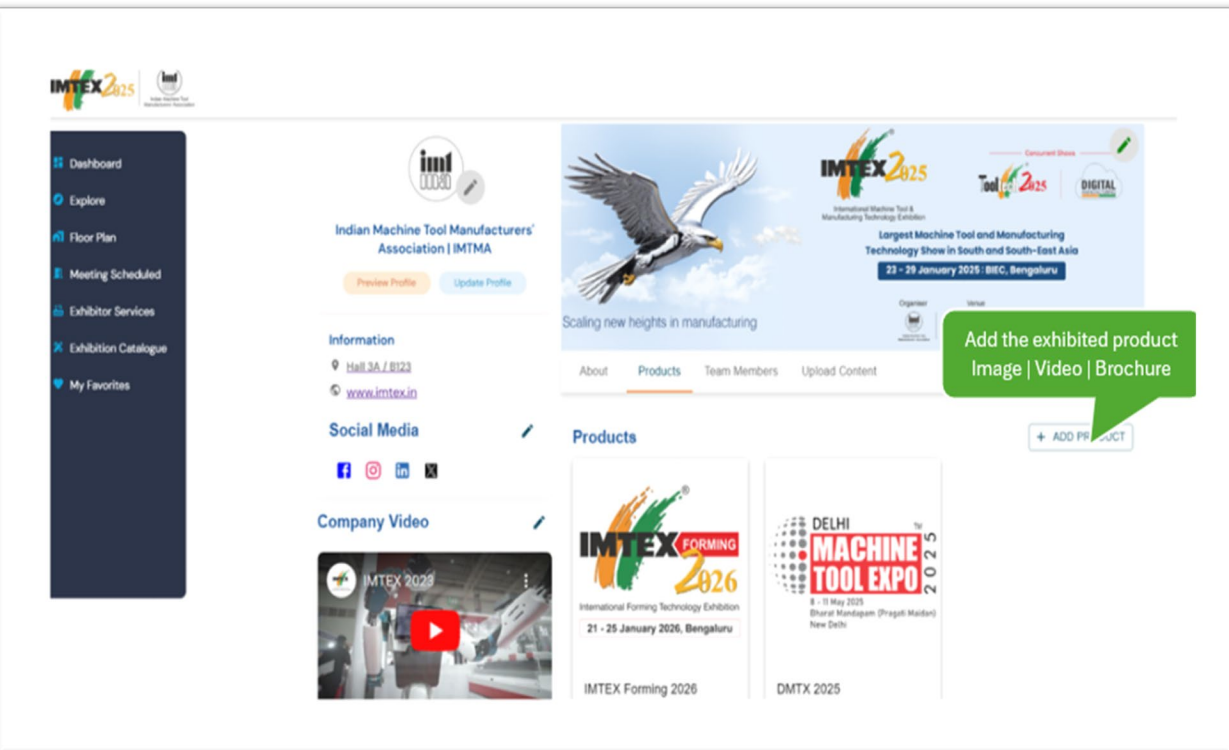

IMTEX has always been a showstopper for machine tool builders as one of the leading machine tool and manufacturing technology shows in the world. Participating in IMTEX would allow you to garner business orders, generate good business enquiries, connect with industry professionals, gain knowledge, and find new market opportunities.

Tooltech 2025

Concurrent show Tooltech will feature parts, accessories, and systems for machine tools.

Add Product Brochure

The screenshot shows the IMTEX 2025 website interface. At the top, there is a banner for the 'Largest Machine Tool and Manufacturing Technology Show in South and South-East Asia' held from 23-29 January 2025 at BIEC, Bengaluru. Below the banner is a navigation menu with 'About', 'Products', 'Team Members', and 'Upload Content' (which is highlighted). Under the 'Upload Content' menu, there is a 'Brochures' section with a '+ ADD BROCHURE' button. Two brochures are listed: 'DELHI MACHINE TOOL EXPO 2025' and 'IMTEX FORMING 2026'. Each brochure has 'Guidelines & Application Form...' and 'Edit' and 'Delete' options.

The screenshot shows the 'Add Brochure' modal form. It has a title field containing 'IMTEX Forming Application Form'. Below the title field is a large dashed box for the PDF file, with a cloud upload icon and the text 'SELECT PDF'. Below the dashed box, the filename 'IMTEX FORMING 2026 Application Form.pdf' is displayed. At the bottom of the modal is a dark blue 'SUBMIT' button.

Upload brochures, and other collateral that you want attendees to be able to download.

Add Company video (Embed Code of YouTube)

The screenshot displays the IMTEX 2025 exhibitor dashboard. A modal window titled "Add Video" is open, showing two options: "Embed Code" (selected) and "Upload Video". The "Embed Code" section contains a text area with the following code: `<iframe width="853" height="480" src="https://www.youtube.com/embed/ILyH3uUZ618" title="IMTEX 2023" frameborder="0" allow="accelerometer; autoplay; clipboard-write; encrypted-media; gyroscope;" />`. A "SAVE" button is located below the code. In the background, a YouTube video player is visible with its context menu open, and a red box highlights the "Copy embed code" option. The dashboard also features a sidebar with navigation options like "Dashboard", "Explore", "Floor Plan", and "Meeting Scheduled", and a main content area with "Information" and "Social Media" sections.

In order to upload your videos to the exhibitor zone, you'll need to add the embed code in.

The embed code can be added in once you have uploaded your video to a video streaming platform such as YouTube.

Explore - Exhibitors List / Product List / B2B AI Matching / Visitors List

The screenshot displays the user dashboard for IMTEX 2025, organized by the Indian Machine Tool Manufacturers' Association (IMTMA). The interface includes a dark sidebar with navigation options: Dashboard, Explore (highlighted with a red box), Exhibitors, Products, B2B AI Matchmaking, Visitors, Floor Plan, Meeting Scheduled, Exhibitor Services, Exhibition Catalogue, and My Favorites. The main content area features a welcome message, a 100% profile completion indicator, and a team member count of 03. A 'Visitor Activity' section lists recent profile and stall views from companies like Ultramax Hydrojet Pvt. Ltd and MMC Hardmetal India Pvt. Ltd. A 'Statistics' section shows 4 Stall Views, 9 Profile Views, 4 Meeting Requests, and 3 Mutual Connections. The 'Recommendations' section displays profiles for Prajyot Meshram (Engineer), Ronak Sanklecha (General Manager), and SUSHANT INDUL... (Executive). A 'Your Meetings' section shows a 'requested' meeting for 'IMTEX Forming 2026' and a 'cancelled' meeting for 'Discussion'.

Using the filter criteria in the Explore option - your search results in a targeted and meaningful way.
